PAMMY

Pamela Anderson lookalike Pammy from Liverpool (28) wants to be just like her idol. She owns David Hasselhoff CDs and everything. "I've even got my own sex tape, just like her," she grins, showing off her inflatables. "It's far ruder though. It's not just me sucking off my fella on a boat, it's me sucking off my fella and all his mates and taking their goo all over my big boobs. We're a lot dirtier in Liverpool than in California, believe me!"

Pizza the action

My wife Davina loves fucking in public.

She never misses a chance to make me jizz in a restaurant so I had high hopes when we went to our local pizzeria.

She was horny even before the garlic bread turned up. She started getting frisky after a glass of wine.

She slipped her shoe off and I felt her naked hot foot fondling my crotch. I got hard fast and in a few moments she was wanking off my rigid prick between her toes till I almost came!

After we had finished our main course, she came and sat next to me.

We snuggled up innocently but under the tablecloth, Davina undid my flies and began to slowly massage my aching prick.

Just as I was wondering where the hell I was going to cum, Davina pretended to drop her knife and enveloped my engorged cock in her mouth.

She shut her lips around my stiffy and started sucking me off. I was sure people knew what was going on but I was nearly there and wasn't going to tell her to stop now.

I blew my load almost immediately. The slurping and swallowing sounds felt really loud as dirty Davina guzzled my cum down.

After that we ignored the stares, paid the bill and went home to finish my wife off properly.

Steve, Suffolk.

Italian Job

Last year, after university, and looking to sow some oats before settling down, I went inter-railing around Europe.

Travelling overnight on a train between Bari and Brindisi, on my way to catch a ferry to Corfu, I was aware how much more forward Italian men were than British ones. A good-looking guard showed me to my compartment and winked at me as he shut the door behind.

It was nice to get some attention and it put me in a horny mood. I fancied a drink, so I sorted out a sexy little outfit to wear to the bar.

I undressed and stood in front of the mirror, having a good look at myself. If the young guard had found me attractive then maybe I could have some fun on this train.

While I was thinking this, my hands were slowly caressing my tits. I put on a skimpy blouse, a skin-tight skirt and no underwear.

and got on really well.

Afterwards Tony suggested we go back to his compartment, as he had some nice French wine there. It was a tight squeeze but I wasn't complaining.

I had four gorgeous men sexually teasing me and telling me how nice I was. We were all pretty drunk and I was feeling quite brash.

I was extremely randy and could feel my pussy was soaking wet. I wanted them all. I turned to Tony and snogged him.

£120

I decided I was going to find myself a damn good fucking.

I was hoping to see the guard. I imagined him bending me over the bunk and fucking me until his cum dribbled down my thighs.

I wanted to suck his cock till he came all over my tits, then lick my nipples and his bell-end clean.

I went to the bar and ordered a brandy and coke. I scanned the room and saw it was mostly full of men – how lucky I was!

The guy next to me heard my English accent and asked me to join him and his friends. He was a good looking, well-built bloke called Tony, and I accepted his offer.

He introduced me to his friends and we all had a drink and a laugh before going to the dining carriage. We had a great meal and more drink

I ASKED THEM TO FUCK ME ONE AT A TIME UP AGAINST THE DOOR

As he felt my tits one of the others said, "Go on Tony, she wants your cock!" Then I turned round and said, "I want all of your cocks!"

With that I had four naked blokes in front me, all sporting hard-ons. I began with Tony, kneeling in front of him and taking his cock in my mouth.

I sucked him for a while before moving on to the next guy, and so on until I'd sucked them all off. Then I lay on my back and told them to cum on my tits.

I had cum all over my tits, hair and face after they'd showered me. Then I stood up and asked them to fuck me one at a time up against the compartment door.

They fucked me for two hours. It was wild – they grabbed and pawed at me like animals. I felt like a piece of meat being devoured.

Finally we'd all cum so much that we couldn't cum any more. Spunk was running out of my pussy like a river.

That night I replayed the sex over and over in my head. What an incredible journey!

Megan, Surrey.

Window flicker

My husband and I booked a long weekend at the Travelodge in Scarborough and were delighted to find we had been given a room with a sea view and directly opposite the Grand Hotel.

My heart skipped a beat when we saw the big windows and no blinds. I couldn't wait to get into my gear and do a shoot.

After we'd unpacked, I went into the bathroom to get ready while Phil set up the camera. I was shaking with excitement as I walked into the room in just my T-shirt, stockings and suspenders.

Phil got me to lie on the bed first and start posing. Soon I noticed a guy looking in from the hotel opposite peering over at us. Phil said that we would do some horny poses in front of the window: of course I was really up for it.

I realised with a thrill that anyone in the street could see. And I noticed that several people in the hotel were also watching us with interest. I was so excited that after only a few snaps, I was begging Phil to fuck me. He pushed me up against the wall next to the window and shagged me stood up right in full view and I came within seconds and Phil was not far behind and then we just collapsed in a heap on the floor.

That night we planned to do more pics once it got dark and leave the curtains open with all the lights on. First we went across to the Grand Hotel for a few drinks.

I was wearing my lace top, stockings and suspenders underneath a thin cotton mini-dress which rode up to expose my stocking tops when I crossed my legs.

Phil was at the bar when I noticed two guys starring at me. One of them waved and I realised it was the guy in the room opposite who had seen our photo shoot. When Phil came back with the drinks I told him and he said let's invite them over. I replied why not as they were both good-looking and had fit bodies. The guys were very complimentary and had been very turned on by what they had witnessed, so we asked them if they wanted a repeat performance to which they readily agreed.

So we went back to our hotel while they went to their room and as soon as we saw that they were at the window, I did a slow strip and posed seductively on the bed.

I was so turned on and said to Phil that I wanted a good fucking. To which he replied: "Why don't you fuck those two?" "Oh, yes please," I replied and Phil

waved the two guys over and went down to reception to bring them up. I played with my clit while I was waiting and my love juices were flowing as the guys came into the room.

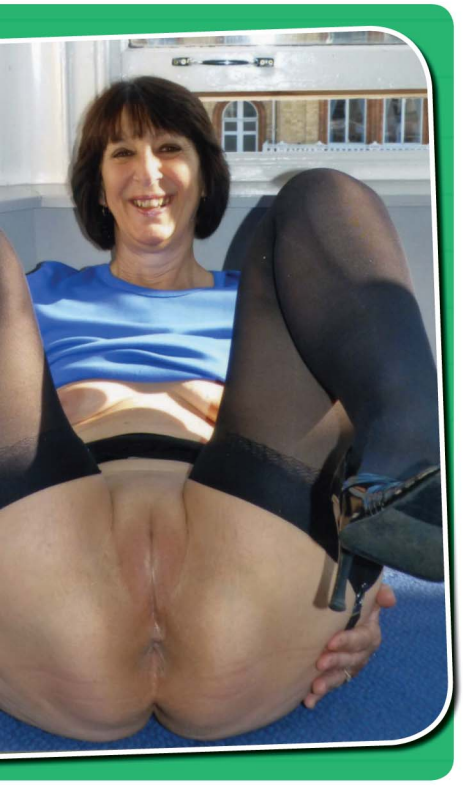
Phil got between my legs and started to suck my pussy, while Dave and Tony stripped off. When I saw their lovely cocks I came hard on Phil's tongue.

Next they got me on all fours and Dave pushed his big cock slowly up my fanny as Tony put his cock into my willing mouth and they both started to fuck me slowly. Phil got his camera out and started to take pictures of me being spit-roasted.

The sensations were fantastic and before long I was screaming in ecstasy as multiple orgasms flooded my entire body.

It was too much for Dave who suddenly erupted inside me and flooded my pussy with his warm cum. Tony pulled his cock out of my mouth and shot his spunk all over my face and all the time Phil was snapping away with the camera.

While the guys were cleaning up, Phil went down on me and licked my cunt clean of Dave's spunk before shagging me himself and making me cum several more times. I shagged Dave and Tony several more times that



weekend, but the first time was definitely the best. What a great stay in Brighton!

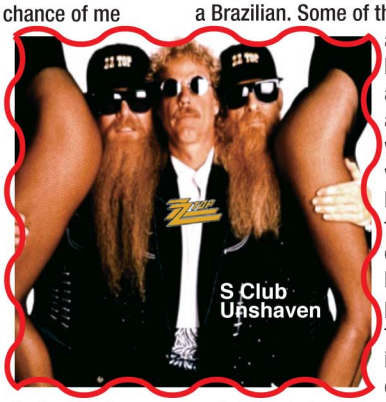
SEX WITH ALL THE STRINGS

Some hair styles should remain in the fashion dumpster. The retro porno muff is one of them, as Daisy Blade discovers

When it comes to sex in a relationship there are some rules that are not as clear-cut as others. One example of this is pubic hair etiquette. While in a long term relationship, knowing what to do with it has to be one of the toughest strings of sex to navigate. Do the wrong thing – grow it too long, trimming a wonky shape into it or vajazzle the lot – and you could set yourself up for sex veto after sex veto from your partner. I know this, because, shockingly, it just happened to me.

As you may have guessed from the nature of my column by now, the boyfriend and I enjoy having a lot of sex. So, it came as a great surprise to me when the number of times we'd fuck/make love/do the horizontal tango each week started to lessen as the month went on. Not only did the amount of sex dwindle, but oral became a word we only started using in relation to dental products, as any chance of me getting a good lickin' vanished.



S Club Unshaven

After much interrogation of Mr Boyfriend on my behalf – which involved cuffs and a spot of queening – and a lot of stuttering on his to avoid "hurting my feelings", it turns out that the reason for our lack of bedroom action was thus: my muff had got too big.

The truth was out. Not in our years of being together did I think that pube etiquette played such a role in our sex life. I was literally having my orgasms held to ransom by my short and curlies!

Sure, I'd always kept it neat down there, as he did for me, but recently I had come to indulging in a Merry Month of Muff. Growing it out isn't a common occurrence; the muff was prompted because I thought I'd try something a bit different. You could say I was going for the retro porn star style. It was an experiment to see if it made sex feel any better or worse and part of it (admittedly) was because I got lazy and enjoyed not worrying about it.

Having been together for years and knowing how good it is when we fuck, I didn't think he'd mind so much. Whipping out the razor to save the embarrassment of spider legs sticking out of the side of your sluttiest thong when you get a last minute call from a fuck buddy is one thing. Being with someone for years, where appearances shouldn't be everything because you know each other well enough and so letting the bush grow for once, is quite another.

Some men really like a big, bushy muff. I've seen enough fetish sites to witness how much certain guys enjoy burying their faces in a mound of pubes. Unfortunately my fella is not one of them.

As I sit here, writing this, my pubic area looks like a freshly plucked chicken. Giving in to the pressure of wanting orgasms rather than a muff, I took myself to the waxers for a Brazilian. Some of the things you agree to do for love are odd and allowing another woman in white pyjama-like clothing to rip out all of your pubic hair and then pay her for the privilege, is one of the oddest pre-coital rituals I am aware of.

Don't worry, I'm not about to go all mad feminist and recite some bullshit about how women shouldn't have to wax their nethers simply for the benefit of their other half, but I am a woman currently mourning the loss of her muff due to relationship pressures (and the withholding of pleasure).

Looking down at the bare landscape, punctuated with red dots it's hard to feel sexy right now. However, demanding oral sex is a lot less guilt-ridden since I've got rid of my back and sides and his excuses don't fly. Now we just have a whole extra month of fucking to catch up, so it's smooth sailing until next time...

She said my pussy was shrinking and tightening through lack of use – yeah, right! – and she'd need to perform an emergency procedure. Then she rummaged in a drawer and took a vibrator out of there. I still don't know why she kept one there, I was just seriously looking for something wrong. Then she winked at me and started fingering my hole. She fucked it hard, her other gloved hand playing over my clit, the rubber adding to the friction. Then she dipped two fingers in the lube and started probing my arsehole too.

I took over playing with my clit – my free hand over my mouth so I didn't scream too loud, and it was like my moans went through my body instead, making me shudder all over as I came.

She started fucking my cunt, fingers still playing on my clit. Then she switched over, jamming three of them in my hole as she turned the vibrator on. Somehow she managed to squeeze my most sensitive spots in between the tip of the toy and her finger, so I was almost sobbing with pleasure.

"You're still orgasming fine," she said in her medic's voice, as I started cumming.

I returned the favour with my tongue. She pumped her hips against my mouth and I tickled her G-spot with a finger, which I knew would finish her off.

Almost instantly she started cumming, and I felt a forceful spurt of juices over my thrusting tongue.

After a night of rampant fucking in our bed, she decided to call in sick!

I said I had an ache in my pussy and could she take a look? She gave me a massive talking to, saying she'd probably get sacked if we got caught. I totally ignored this and said, "I'll just take off my knickers, shall I?"

She sighed, then snapped a latex glove on, squirting a load of lube over it. She sort of went into work mode, on autopilot, like she was

Slam Dunk

Seeing my photos printed in *Escort* 32.11 sent my husband wild and I have to admit it turned me on too.

Last week, hubby was working away from home so I decided to take some dirty photos and send them to him to guarantee a real dirty pussy-licking weekend when he returned.

I stood in the mirror and started to take some snaps, posing as sluttily as I could. I was getting really into it and was soon very horny.

£120

Just then the doorbell rang. I slipped on my robe and went to see who it was. I was pleasantly surprised to find my husband's rather sexy best mate on the doorstep. I invited him in and straight away he noticed my fishnet stockings and asked me why I was wearing them on my own in the middle of the day.

So I handed him my copy of *Escort* and told him to have a look at my pics while I went to make us a cuppa. When I got back to the front room I found him reading my story and rubbing his cock. I undid my robe to reveal my naked body enclosed n sexy underwear and asked him if he would like to help me take some dirty pictures. He didn't need asking twice and he quickly followed me up the stairs.

I handed him the camera, got out my biggest dildo and started to suck on it while he watched. I was licking and sucking this great big dildo and all the while his eyes were glued to me so I slowly spread my legs open to reveal my warm shaven pussy.

He put the camera down and quickly took his clothes off. I took the dildo out of my mouth, got on all fours, grabbed my arse cheeks and pulled them apart so he could get a good look at my now dripping wet pussy.

I told him to get some close-up pictures of it and as he started taking them I slipped my big vibrator into my throbbing pussy and started to fuck myself. I could him hear moaning and I looked behind me to find him wanking his huge cock off over my arse while he watched the dildo slamming into me.

It really turned me on to see him wanking over me and I decided that I wanted a go on his massive manhood. So I dropped my dildo and spun round so that I could engulf his

big hard dick I my mouth. I began sucking fast, licking up and down his shaft. I reached down to pay with my pussy again, rubbing my throbbing clit as I pushed my fingers in and out as fast as I could.

I wanted him to taste me so I got on top of him and sank my wet mound onto his face. He slipped his tongue into my slit and started to lick me. I grabbed his dick and began wanking it up down. I was grinding my pussy on his mouth, feeling his tongue exploring.

I leant down to take his huge balls in my mouth and sucked on them, massaging his sack with my lips and tongue. His tongue on my clit felt so good that I was soon exploding my juices all over his face and in his mouth.

He grabbed my waist and bent me over. Before I knew it his cock was slamming in and out of me. My pussy was so wet and warm and was still throbbing from my orgasm only seconds ago. I could feel his balls slapping against my slit every time he thrust his enormous cock deep into me.

Within minutes I was ready to explode for a second time. It must have felt pretty good for him as just after I finished he pulled out to cum all over my soft round arse.

So I got a mid-week hammering, he got hot sex with his best mate's missus and hubby got to see all the photos. We were all winners! *Nicky, London.*

Rim'll fix it

My other half is perfect for me and keeps my pussy well fucked.

But unfortunately for me he hates the idea of anal. I started to get turned on by the idea a couple of years back but no amount of hinting, asking or even pleading would get my back door banged!

When it became such an obsession that I felt frustrated in my otherwise great marriage, I decided playing away was the only option. I posted that I was inexperienced and in need of anal training. And out of the many offers, I picked Liam.

He was a little older and in a similar situation – his wife didn't totally deny him, but he didn't get as much anal as he'd have liked.

We met in a hotel and started with me face-down on the bed. My arse is plump and round with smooth, soft skin, and Liam asked would I mind if he just licked it for a while. He took ages over it, tonguing and nuzzling my cheeks as well as my crack, then he opened up a little pack of lube and smeared it on my arsehole, spreading it with his tongue.

He had me kneel up, then rested his hard cock on the peaks of my arse as he lubed that too, then he told me to rub my clit while he penetrated me, saying it would help me to take his prick.

A weird part of me was hoping I'd hate it, so I could just go home and spend the rest of my life getting my pussy fucked by my hubby.

HIS MEATY TOOL OPENED UP MY ARSE

But, as I felt that huge, meaty tool open up my arse, then slide in deeper, I knew this was just the start, and a one-off wouldn't satisfy me. I started rubbing my clit faster, and could only moan when Liam asked did I like it.

It felt so much more intense than a cock up the pussy. Liam took it slow, controlled, using his hands to stir and twist me on his probing cock. He didn't rush me, just pushed in a little deeper every time until I finally felt his balls brush up against me.

He leaned forward, breathing in my ear that I should cum for him, his hard-on snagging against the top of my arse-opening.

With a shudder, I orgasmed, but told him to keep on fucking me.

I was a mess and he was trying to take it gently for my sake, but now I was starting to feel his shaft jerk inside me. I moaned again and squeezed him tight and after a couple more thrusts, I felt his hot cum spurt out in my pulsating arse.

He pulled out slowly – I felt every inch and ridge and vein of his beautiful cock. My hand crept down to my clit and I felt myself start to cum again at the thought of my filthiness!

We meet up every few weeks – I've screwed and sucked him but we have to do anal at least once. That's what we're both there for.

I really do need my regular anal fix!

Sara, Cheshire.

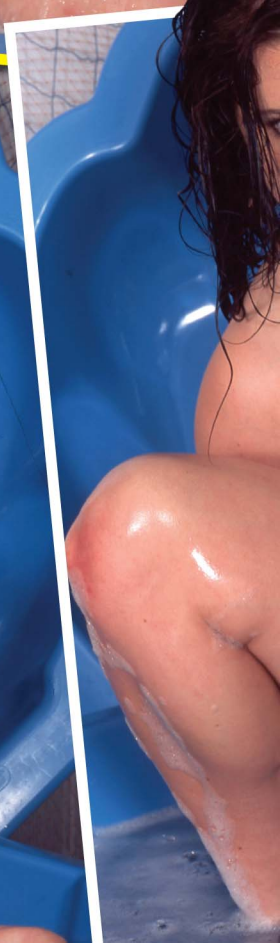
THE WHITE STUFF!
ANGELA



Rods at the ready – Angela White is angling for an acquatic adventure in the Escort "swimming pool". The girl from down under who's big up top was visiting our fair shores, so to make her feel at home we turned the heating up, put spiders in her shoes and gave her a spanking at cricket. "I love British lads," the 32GG-boobed stunner informs us. "If you really wanted to make me feel at home couldn't you get three or four to soap me up then plug my mouth with cock?"

For the man who can't make his mind up if he likes whippet-thin blondes or curvaceous redheads, April and Jaye provide a sexy solution. Unfortunately this man is April's boyfriend, who currently enjoys himself a bit too much every Saturday afternoon with these two (he's not a football fan). Smoking hot

Recently I was sat a bench in my local park, smoking a cigarette, when this really gorgeous-looking girl, Carly, came up and sat next to me. She asked if she could have a drag – she'd given up the day before but now she was gasping for one.

The way her lips puckered and pouted round it, and the way she was just sucking on it, with little heavy breaths, like she was trying to extract every tiny bit of pleasure from it. Put it like this, if she enjoyed fucking half as much as sucking on a fag, she was probably the ride of some bloke's life.

When she finished, she flicked it away and had to stretch her leg to stomp it out with the bottom of her shoe. Her skirt rode up – a couple of inches higher and I'd have known what colour knickers she was wearing. I soon found out anyway. I only had a couple of ciggies left, and when we'd smoked them I told her I had more back at mine. She took the hint.

Back at mine, she lounged in my big comfy chair, putting on a show as she smoked yet another fag. Then she unbuttoned her top to expose her braless tits, then I saw her black lace thong, underneath her dark-red skirt, as she pulled it sideways and dipped the fingers of her free hand into her cunt.

It just looked like the ultimate pleasure as she let out a deep sigh, blowing out this big stream of smoke.

Like she'd done with all the others, she smoked that ciggie down to the filter, by which time my cock was throbbing. Then she took something from her bag and chucked it over – a tube of lubricant. Unsubtle,

EVERY INCH OF MY COCK WAS ENGULFED

Dairy milked

I'm doing a postgrad course and, to make ends meet, I work in an all-night garage near where I live, taking a lot of overnight shifts. As the only all-night place for miles, we get a lot of regulars who just pop by for milk and stuff.

One morning, just gone 5am, this girl called Lauren, who I'd often chatted to, staggered in. She was obviously straight off the night bus after a night out clubbing. She wasn't that pissed, just buzzing – you know, that stage when you're too wired to sleep? She said she'd split up with her bloke during the week, and her mates had taken her for a hardcore girls' night out. "Just a big shame I didn't pull – that would have shown the fucker!" she laughed.

£90

"You've still got one last chance to pull… if you want it," I said.

She was well up for it, but I still had an hour to go before I knocked off. I didn't want her going home and ending up sparko by the time I called round, so I sat her down in the back room with a sneaky can of beer and some chocolate while I served another customer.

About five minutes later, she called me through. There was no one else in the shop now, so it wasn't a problem. I walked through to find she'd melted a square of chocolate on her palm. "Drop 'em!" she giggled and I did. She started playing with my cock, rubbing the melted chocolate all over my shaft. Then she looked at it for a moment, saying, "Every girl's fantasy!" before going down on me.

I like to think it was my hard-on as well as the chocolate which got her going like she did. She made the filthiest slurping sounds, and didn't care that she was getting smears of chocolate all round her mouth.

She just looked so gorgeously slutty, her make-up already smudged after her night out, as she

SHE TILTED HER HEAD UP AND SHUT HER EYES

I thought, but that wasn't the half of it. She pulled her cheeks wide apart and traced around the rim of her arsehole with a painted nail. The lube-tube was half-empty, suggesting this wasn't the first time she'd taken a length up the arse.

Sure enough, my fingers just sank into her bum, then I pulled them out and touched my cock up to it. Just one little whimper as my helmet stretched her ring, then she took me in deep. Reaching under her body, I stroked her thighs and stomach, making her squirm back against my prick. And as I started to fuck her, she wiggled around like a lap dancer against my crotch.

Every inch of my cock was being engulfed and squeezed, the inside of her bum all warm and tight around it. I tried to hold back but didn't really have a chance, so when she asked me to go faster, I just banged away until I emptied my balls up her hot little hole.

Obviously I lit up cigarettes for both of us post-fuck, although, even as we smoked them, we decided on a pact to quit. I've got a pack of Carly's favourite brand hidden away, just in case she calls round, totally desperate!

Scott, Derby.

Spoilt rotten

One afternoon, after a surfing lesson, I was rinsing off under the outdoor shower while Jules, the instructor, hosed the salt from our wetsuits. Then his mate Martin came out to have a ciggie. "You jammy bastard…" I heard him say, while looking at me – he'd been stuck teaching a bunch of schoolkids how to surf.

Feeling a bit naughty and horny, I asked if one of them would soap my back. It could have caused a fist fight, but Jules steamed in. Martin looked pissed off, so I splashed some water on him.

He ran under the shower, fully clothed, tickling me, then Jules said maybe we should go into the staff changing room.

Three minutes later that's where we were, picking up where we'd left off, only this time I wasn't wearing my bikini. The two blokes stripped off and explored my body, especially my boobs, bum and pussy. Then they both got on their knees, Martin rimming my arsehole while Jules tongued my clitoris.

Now Martin stood up, his cock ploughing in between my arse-cheeks. I wasn't sure which hole he was aiming for now – I left it to him – but I sighed with pleasure as I felt him enter my cunt. He wasn't quite as tall as Jules but this was still a bit of a knee-trembler for him, his crotch bumping up against my crack as he shagged up into me.

Then I bent forwards so I could suck on Jules's dick and fondle his bollocks as Martin spanked my bum. My skin was still a bit damp from the shower, which made the slaps sound louder.

I love sucking cock and Jules's helmet was big and juicy so I took my time with it. Soon he was pumping in and out of my mouth, so I had to grab him round the root and control how deep he went. With his helmet getting all the attention, he didn't last much longer. One moment I heard him groan, the next he was filling my mouth with spunk. Hearing his mate cum, Martin pulled out, wanting to get a bit of control back. I stood up and opened my mouth, showing him the spunk before swallowing the whole load.

That was too much for him – with Jules supporting me from behind and playing with my tits, Martin lifted up one of my legs and humped into me really hard, fingers on my clit so I came just before he lost his load too.

I can't wait for my next surfing lesson!

Adele, Cornwall.

FINGERS ON MY CLIT, HE HUMPED ME HARD

glanced up to make eye contact. It just got me going even harder, bucking my hips as she wanked me into her mouth.

When I felt my bollocks begin to tighten, I asked if she would let me come on her face, thinking that would be the ultimate slutty look. She said that turned her on too, with the right bloke.

I pulled out of her mouth and she tilted her head up, pouting her lips and shutting her eyes. Then she jacked me hard and fast until my spunk spurted out, splashing pearls all over her face. I asked if she'd be up for me snapping a photo. Luckily she was but the image would have stayed with me anyway!

I'm ashamed to admit that when I got her home, it was me who flaked out almost immediately. When I woke up an hour later, she was watching one of my porn videos, three fingers jammed up her wet cunt.

She wasn't offended that I'd gone to sleep on her, but the second she had me hard she straddled my cock and started to ride me. I used my fingers on her clit and held back so I'd last till she'd cum, but when her pussy started to orgasm, that set me off again.

I fired my second load of spunk in a few hours right up her snatch, sucking on her tits to tease out the last spasms of her cum…

Pete, Newcastle.
